Re: *Protecting and Promoting The Open Internet*, GN Docket No. 14-28, *Connect America Fund*, WC Docket No. 10-90, *Developing a Unified Inter-carrier Compensation Regime*, CC Docket No. 01-92

Dear Ms. Monteith:

Pursuant to the Federal Communications Commission's ("FCC" or "Commission") *Open Internet Order*,¹ Bay Springs Telephone Company, Inc., DBA: TEC ("Bay Springs" or the "Company"), Study Area Code 280446, hereby notifies the Wireline Competition Bureau ("WCB" or "Bureau") of its intention to cease offering its DSL and Consumer Broadband-Only Loop ("CBOL") broadband Internet transmission service as a separate component of its broadband Internet access service effective July 1, 2017. As such, the transmission component will not be provided as a separate regulated service and will only be provided as part of the complete broadband Internet access service that the Company offers to end user customers within its Mississippi serving area, either through the Company or through an affiliated company.

Bay Springs Telephone Company, Inc. DBA: TEC currently provides broadband Internet transmission service as a tariffed offering pursuant to NECA Tariff F.C.C. No. 5. The only customer for the Company's broadband Internet transmission service is the Company's affiliate nonregulated ISP. Notice to the affiliate ISP was provided this date by interoffice memorandum that the Company will discontinue the offering of broadband Internet transmission service as a separate component of its broadband Internet access service effective July 1, 2017.

¹ *Protecting and Promoting the Open Internet*, GN Docket No. 14-28, Report and Order on Remand, Declaratory Ruling and Order, 30 FCC Rcd 5601, ¶ 460 and n. 1378 (2015).

The Commission made clear in the *Rate-of-Return Connect America Fund Order*,² as well as the *Clarification Order*,³ that a rate-of-return carrier could make the retail offering described in the foregoing first paragraph, and thus the revenues associated with the broadband Internet access transmission would no longer be subject to the federal universal service assessment pursuant to FCC Form 499-A.

This letter serves as 60 day notice with the effective date of July, 1 2017 unless withdrawn or extended prior to that time.

Please contact the undersigned if you have any questions,

Sincerely,

**Notice of Discontinuance of Offering DSL and Consumer Broadband-
Only Loop Transmission Services**
Effective July 1, 2017

This is an informational notice required by the Federal Communications Commission (FCC) to the company Internet Service Provider (ISP). Bay Springs Telephone Company, Inc, DBA: TEC ("Company") is required to notify you of its intent to discontinue providing DSL and Consumer Broadband-Only Loop ("CBOL") transmission service. This notice fulfills that requirement. See also the attached notices filed with the FCC May 1, 2017.

Beginning July 1, 2017, the Company will discontinue the offering of DSL and CBOL broadband Internet transmission service as a separate component of its broadband Internet access service and will only be provided as part of the complete broadband Internet access service that the Company offers to end user customers within its Mississippi serving area.

Sincerely,

A handwritten signature in black ink, appearing to read "James Garner", written over a horizontal line.
